## LANGUAGES

---

- English
- Malayalam
- Hindi

## SKILLS

---

- Professional
- Teamwork
- Flexibility
- Management

## ABILITIES

---

**AUTOCAD**

**MS WORD, MS EXCEL,**

**MS POWER POINT**

**OS: WINDOWS, UBUNTU, LINUX**

## PERSONAL DETAILS

---

- Nationality:India
- Passport No:R8040613

## EDUCATION

---

### **Bachelor of Technology in Mechanical Engineering**

**University of Calicut-2018**

Activities and societies : Common concepts examined in mechanical engineering courses:

System modeling, Product design, Manufacturability

### **Diploma in QA\QC Engineering**

**Kerala Academy for Skills Excellence(KASE),**

**Govt of Kerala,2018**

{ASNT NDT LEVEL-2 IN UT,PT,MT,PIPING AND PIPELINE ENGINEERING,WELDING}

## WORK EXPERIENCE

---

### **KERALA WATER AUTHORITY**

#### **PROJECT COORDINATOR (central government project)**

**January 2021- present**

- Design and Execution of pipeline works: Oversaw the planning and implementation of pipeline system,ensuring the adherence to design specifications and project requirements.
- Construction and coordination: Managed the construction of key infrastructure elements including raw water pump houses,overhead reservoir and ground level reservoir etc.
- Motor pump Design and Installation:Led the design,selection and installation of motor pumps,optimizing performance and efficiency for water supply system.
- Concrete and Tar works:Supervised concrete and tar works including preparation and quality control to ensure durable and reliable infrastructure.

### **KOTTAYIL INFRASTRUCTURE OF ENGINEERING AND CONSTRUCTION**

#### **SITE ENGINEER**

**march 2019 - march 2020**

- Coordinated pipeline engineering projects,ensuring adherence to technical specifications and safety standards.
- Supervised the execution of Public Works Department (PWD) road works and managing project timelines and resources.
- Conducted regular site inspections and coordinated with subcontractors to resolve any issues promptly.
- Prepared progress reports and maintained the detailed records of work performed and material used.

### **NDT SYSTEMS PRIVATE Ltd**

**(Reliance Industries Ltd Jamnagar Gujarat**

**qa/qc engineer trainee-january-2019-february-2019**

**(Nayara energy Ltd Jamnagar Gujarat)**

**qa/qc engineer trainee- november-2018 –december 2018**

- Checking the quality of weld and structural components.
- Ndt inspection (pressure vessel,column and boilers).
- Documented inspection findings and ensured quality of standards
